ROAD MAP TO THE GEOGRAPHY CURRICULUM

Travel Agent
Geography Degree
Hydrologist
Retail Management
A Level Geography
Economic Analyst
Town Planner

Y11

Issue evaluation
- Evaluation of pre-release materials
- Comprehension of pre-release material

The challenge of natural hazards
- Tectonic Hazards
- Climate Change
- Tropical storms

The changing economic world
- World Development
- reducing the global development gap
- Economy of the UK
- India as a NEE country

The living world (Rainforests and Tundra)
- Ecosystems
- Tropical Rainforests, Amazon
- Tundra environments, Alaska

River Wyre Fieldwork
- Hypothesis testing
- Bradshaw Model

Resource management
- Food Supply
- Water Supply
- Fossil Fuels
- Renewable Energy

Y10

ENVIROMENTAL ISSUES (Topical Issues)
- Global Warming
- Energy
- Endangered Species

Urban issues and challenges
- Urbanisation
- Mumbai
- Manchester

Urban Fieldwork (Salford Quays)
- Hypothesis testing
- Regeneration of Inner City

Physical landscapes in the UK
- River Processes
- River Management
- River Features

Y9

ECOSYSTEMS
- Tropical Rainforests
- Hot Deserts
- Antarctica

CHINA (Change in a NEE)
- Three Gorges Dam
- Made in China
- Population

EARTHQUAKES (Risk Management
- Plate Tectonics
- Earthquake intensity
- Kobe Earthquake 1996

VOLCANOES
- Living in active zones
- Mt St Helens
- Types of volcano

TOURISM
- National Parks
- Castleton Development
- Growth of Tourism

JAPAN (Study of HIC)
- Physical Geography
- Industry & Transport
- Culture

COASTS
- Coastal Erosion
- Coastal Defence
- Coastal Deposition

Y8

HOME REGION
- Warrington bypass
- Transport Issues

GEOGRAPHY OF SPORT
- Shopping in Warrington
- Travel
- Location of Stadia
- Participation vs Spectators

RIVER FLOODING
- Responding to flooding
- Water Cycle
- What causes flooding?

BRAZIL (study of a NEE)
- Physical Geography
- Rich and poor
- Population
- Migration

DEVELOPMENT
- Measures of Development HDI
- Population Pyramids
- Types of Aid

URBANISATION
- Warrington site & situation
- Settlement patterns
- Urban Models

Y7

GLOBALISATION (FASHION)
- Multinationals
- Sweat Shops
- Primary, Secondary and Tertiary

WEATHER
- Microclimate
- Low Pressure
- Types of rainfall
- High Pressure

GEOGRAPHICAL SKILLS
- Atlas
- Field Sketch
- Graphs

OS MAPS
- Compass Direction
- Scale (0 20 40 60m)
- Relief (Height)
- Grid References

Bridgewater High School
