How to buy tickets

A single raffle ticket will cost £2.50 with a **strip of tickets (5 tickets) available for a reduced price of £10.** Multiple strips of tickets can be purchased. Payment can be made by completing the slip below and returning the payment to the school office at Lower Site or the Finance Office at Upper Site. Alternatively, payment can be made online using your scopay account (This is only available for purchases of £5 or more). For those people who choose to pay via the school office, on receipt of your money you will receive your raffle ticket as proof of purchase. For those paying online, your raffle tickets will be allocated and completed with your details, and added straight into the raffle.

How the draw will work

The raffle will be drawn on **Monday 29th January between the hours of 2.00pm and 4.00 pm.** One ticket will be drawn at a time and contact made to the winner offering them a choice of the prizes available. Once the prize has been allocated, the next ticket will be drawn and again the winner contacted offering them a choice of the remaining prizes available and so on until all prizes have been allocated. In order for the raffle to run smoothly, can I please ask that you make arrangements to ensure that you are contactable during the draw so you can therefore choose your prize should you be a lucky winner. We will make contact using the telephone numbers we have on the school system and therefore if you know you will be unavailable during this time, please ensure that other family members or indeed your son/daughter are aware of the prizes you would wish to win should you be successful.

For those lucky winners, details will be provided over the phone regarding how to collect/use your prize.

I thank you in anticipation for your support and help in providing your son/daughter with the best possible sporting experience at Bridgewater High School.

Yours sincerely

A Roberts
