

## The Bridgewater Suggestion Box – ROUND 1

Here is a selection of the queries we received via our online suggestion boxes up to February 2019.

Unfortunately, we cannot respond to every single query we receive.

Some have been passed on to the relevant subject staff rather than being covered below.

Thanks to those who have passed on suggestions so far.

SUGGESTION	ACTION/RESPONSE
Access to all teachers' email addresses	These are all on our website under About Us: Staff <a href="https://bridgewaterhigh.org/staff/">https://bridgewaterhigh.org/staff/</a>
More than one soap dispenser (Lower girls' toilets)	There are currently two soap dispensers in the girls' toilets and a substantial refurbishment of these toilets is due for the next academic year.
Spare uniform for immediate purchase	Unfortunately, this is not viable at present but spare uniform can be loaned out if absolutely necessary (ask at the office or Heads of Year).
Email rather than letters home for positive letters (e.g. 100% attendance)	The next set of 100% attendance messages will go out electronically and not via post.
Upper library to be open	This now open before school and at lunchtime for Y11 study purposes.
Offer of other language choices	We currently do not have the staff to offer this, but such an option remains on our radar for the future.
A quiet room for students at lunchtime	This will be raised with our student council.
Hold a regular meat-free day in the canteen	There is always a meat-free option for those who would wish to purchase one. We would not wish to enforce this for all.
The Walkers crisp recycle scheme	This will be raised with our TCAT Parliament.
To create one central hub on the website for our various study portals	This has been actioned and the Homework section of our website now has "Online study links" at the very top: <a href="https://bridgewaterhigh.org/homework/">https://bridgewaterhigh.org/homework/</a>
