

This leaflet contains a selection of titles classed as 'Young Adult Reads' that may be of interest as you move through Year 8 and into Year 9.

The titles have been listed under genre in order to help you find the type of book that you prefer. Alternatively, you may like to try something completely different!

Most of these titles can be found on stands just outside the reading area in the Library.

This is not an exhaustive list. There are many more titles to choose from. Please ask if you need help.
