

## Bridgewater 2019 Election Results

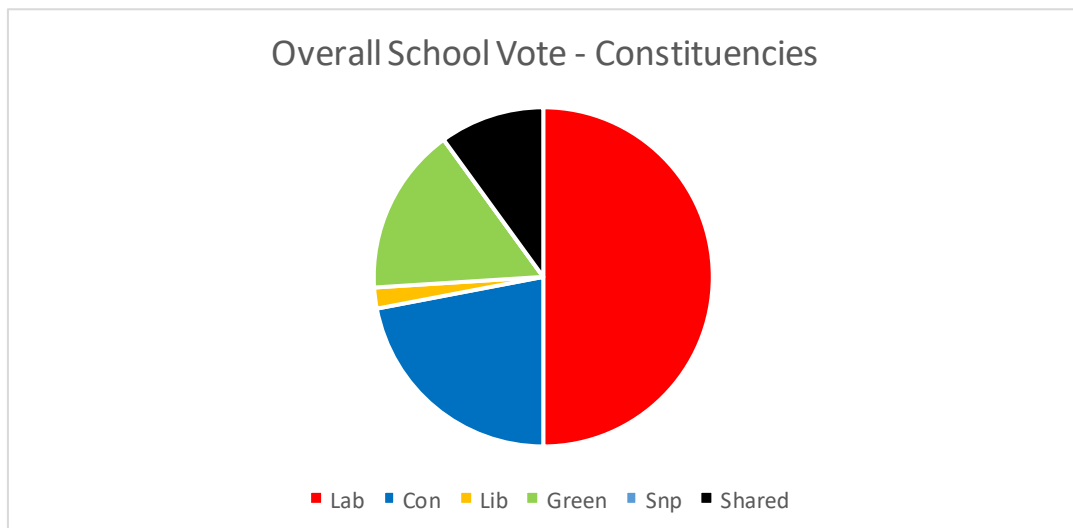

Thank you for everybody's support over the last fortnight with regards to the Bridgewater Election. Through assemblies and the Personal Development sessions, there has been a real buzz and enthusiasm from the students and it has been great to hear the pupils' discussing politics and the election process.

Yesterday's vote proved to be a great opportunity for the pupils to replicate what actually happens with the election and the feedback from pupils and staff was overwhelmingly positive about the vote.

The Labour party took 25 of those seats and in doing so were one short of a majority. The Conservative Party took 11 seats with the Green Party taking 8 seats. 5 constituencies had a shared vote with the Liberal Democrats picking up 1 seat.
