

Bridgewater High School

Prospectus 2020-21

INTRODUCTION

Thank you for the interest you have shown in Bridgewater High School. The purpose of this prospectus is to provide you with a range of information about the school. It is divided into three sections. Section One outlines our commitment to all students who attend Bridgewater High School. Section Two provides answers to our most frequently asked questions and includes information on term dates and our policy for school uniform. Section Three gives details of our most recent examination results.

I hope you find this information useful and if you require any further advice please do not hesitate to contact us.

Tim Long

Principal, BA (Oxon), MA Ed, PGCE, NPQH

SECTION ONE

OUR COMMITMENT

All Bridgewater students merit an education that broadens their experience and prepares them for the challenges of an increasingly competitive world. As part of this, Bridgewater students will need the best possible qualifications available to them. Many of our students come from outstanding primaries where they have already shown high levels of achievement and it is for us to build on this progress and ensure that at the end of KS4 they reach their full academic potential. This will only happen where academic rigour is balanced with outstanding care and guidance in the context of an enriched educational experience. We believe we offer this and can provide all students with the opportunity to thrive.

PART OF THE CHALLENGE ACADEMY TRUST | NURTURE | CHALLENGE | ACHIEVE

STANDARDS AND ACHIEVEMENT

Students come to school to learn and we seek to build on their desire to learn. We have high expectations of what students can achieve and set demanding targets based on what we know of each child. Progress is closely monitored against these targets on a termly basis and we are confident that we know how best to track students and where necessary intervene. However, we not only expect the best from students, we also expect the best from ourselves as we too set ourselves challenging targets. This commitment to high educational standards coupled with the pride of seeing students succeed, defines our approach to academic achievement.

AN OUTSTANDING CURRICULUM

When we were last inspected by Ofsted, they commented that our curriculum was outstanding. Since then, Ofsted have introduced a new framework to judge the quality of the curriculum and our aspiration is to be judged as outstanding under this framework as well. We believe our curriculum is ambitious and challenging. However, we also believe that we have a judicious blend of the traditional and the innovative to create a vibrant and engaging curriculum that provides the opportunity for students to succeed on pathways most appropriate to their abilities and aptitudes.

QUALITY CARE AND GUIDANCE

Students thrive when they are confident but also when they know when and where to seek advice. We offer a full range of guidance and support that can be tailored to individual needs. This includes committed tutors, year team managers and leaders, Pastoral Support staff, a Designated Safeguarding Office and a Designated Mental Health Lead all of whom have a vast range of experience. These colleagues are familiar with meeting the diverse needs of students as they navigate their way through the school experience.

We feel, therefore, that we can provide the care and guidance to help students tackle with confidence the challenges of adolescence and school life. In doing so, we also believe they will acquire the resilience and resourcefulness to go on and become highly successful individuals. The school is fully committed to its Safeguarding responsibilities including Child Protection and has three designated Child Protection Officers.

Bridgewater High School

Prospectus 2020-21

EXCELLENCE AND ENRICHMENT

Many students arriving at Bridgewater are already successful, having enjoyed a hugely rewarding primary experience. Our goal is to build on this success and provide the best possible opportunities for enrichment that we can, as we believe strongly in the wider education of the whole child.

Such is our commitment that we have a well-established formal Enrichment Curriculum with activities on every night of the week. Most are led by teachers, some are provided by Broomfields Leisure Centre and others are delivered by outside coaches and providers. This means that on Tuesday, Wednesday and Thursday nights, in particular, there are over twenty five clubs and activities available to students. Details of these can be found on our web site (<http://bridgewaterhigh.org/>).

Furthermore, we have a long established tradition of encouraging the Performing Arts which stems from the time we were designated as a Performing Arts School. This means that we are well placed to offer some of the best performance opportunities available, ones which our students seize with zeal. In the same way, sport plays a prominent role in school life and our success in this area testifies to the skills, abilities and commitment many of our students have. We run a full range of teams across all year groups where we enjoy significant success at local, county and national levels.

However, whilst we are keen to encourage elite performance, we also promote equality of participation as we seek to provide a range of opportunities that are available to all students whatever their particular interest and talents. For example, this can lead to students working on our eco garden project, or participating in one of our regular exchanges to Germany or America.

Another aspect of school life we promote is "learning outside the classroom" and you will not find a better example of our desire to promote this than our commitment to the Duke of Edinburgh's Award through which we run an extensive Bronze, Silver and Gold programme.

Finally, being part of the Challenge Academy Trust (TCAT) means that we can bring students together to work collaboratively from across the member schools. Highlights from last year include a STEM (Science, Technology Engineering and Maths) Challenge in conjunction with United Utilities, joint music performances and the establishing of a TCAT Youth Parliament.

PART OF THE CHALLENGE ACADEMY TRUST | NURTURE | CHALLENGE | ACHIEVE

Bridgewater High School

Prospectus 2020-21

THE CHALLENGE ACADEMY TRUST (TCAT)

Bridgewater High School is a founder member of the Challenge Academy Trust which was formed in June 2017. TCAT is currently made up from the following institutions: Bridgewater High School, Priestley College, Beaumont Collegiate Academy, Sir Thomas Boteler Church of England High School, Penketh High School, Padgate Academy, Great Sankey Primary School and Penketh South Primary School. A multi-academy trust (MAT) is where a group of schools is governed through a single set of members and trustees. As a charitable company TCAT is required to agree and abide by memorandum and articles of association based on a model prepared by the Department for Education. These are legal documents that set out the governance composition and procedures for the trust.

As an academy trust, TCAT is required to have at least two groups of people to govern the trust (members and trustees). TCAT also has a Senior Executive Leader called the Chief Executive Officer (CEO) who oversees the Central Executive Team (CET). The signatories to the memorandum are the first members of the trust. They act as the guardians of the governance of the trust. They are responsible for agreeing the trust's articles of association and approving any future changes. The members monitor the work of the trust (including through reviewing its yearly audited accounts and annual report).

The Board of Trustees (Trust Board)

The Trust Board is the accountable body of the trust, and is responsible for the conduct and standards of all the schools and college within it. The board must fulfil the following three core governance functions, as described in the Governance Handbook:

- Ensure clarity of vision, ethos and strategic direction.
- Hold the CEO to account for the educational performance of the schools and college, their students, and the performance management of staff.
- Oversee the financial performance of the trust and make sure its money is well spent.

Local Governing Bodies

As a founder institution we also have a Local Governing Body. Under the agreed Memorandum of Understanding the presumption is that we are delegated power according to the principles of "earned autonomy". It is agreed that the powers delegated to our Local Governing Body or the makeup of our Local Governing Body may not be varied without our consent unless the following occurs:

- an Ofsted inspection or data suggests that intervention is appropriate;
- the Trustees have serious concerns about the finances of the academy;
- the Trustees have serious concerns about the governance of an academy;
- it is necessary to take action because of safeguarding concerns;
- the academy has breached the terms of its funding agreement

SECTION TWO

How is pastoral care and guidance organised?

Each year group is split into two halves called Stockton and Appleton. There are five tutors for each half of the year group. The work of the tutors is managed by a Pastoral and Achievement Leader (PAL) and a Pastoral and Achievement Manager (PAM) who has overall responsibility for pastoral matters in each year group. This pastoral support is further enhanced by Assistant Headteachers who coordinate pastoral work across each Key Stage. In addition, we have a number of colleagues in school who can provide more specific student support such as a Mental Health Lead, a Safeguarding Officer and a team of Pastoral Support Staff. All Pastoral Staff are committed to ensuring the Safety and Welfare of all students. They ensure that school Safeguarding Policies are adhered to.

Bridgewater is committed to meeting the needs of all students. The school has a 30 place Designated Provision for students with ASC (Autistic Spectrum Conditions). These students are admitted via the Local Authority and not through the school's own admission cycle. In addition, the school has a large Education Support Team and vast experience in meeting the needs of students with cognition and learning, social and emotional difficulties, physical difficulties and communication difficulties. The Upper and Lower School are fully accessible for all students.

How is the curriculum organised?

The curriculum is organised into Faculties. The Faculties are: English, Maths, Science, History & RS, ICT & Computing, Geography with PSHE, Expressive and Performing Arts, Modern Foreign Languages, Technology, P.E. and SEND. There is a Head of Faculty for each of these who is then supported by colleagues who act in a range of roles such as Head of Department or Key Stage Co-ordinator. These colleagues also meet regularly to review progress.

The school day is made up of five periods and Enrichment activities take place after school on most days. Because we believe that education should also develop the whole child, there are an extra two periods each week when we deliver our Personal Development Curriculum. This programme incorporates PSHE and ensures that pupils are familiar with and accepting of British Values. The overarching aims of the Personal Development Curriculum are to ensure that our pupils develop:

- resilience, responsibility and respect
- an understanding of the Modern World
- aspirations
- a sense of Health, Wellbeing and Personal Safety.

What subjects are studied at KS3?

Bridgewater High School

Prospectus 2020-21

We broadly follow the National Curriculum and organise our teaching through the following subjects: English, Maths, Science, History, ICT & Computing, Geography, RS, French, Religious Studies, Art, Dance, Drama, Music, PE, Design and Technology and Food Technology. A number of able linguists study German from Year 7. The SEND Faculty provides a range of support which can be in-class or in the Teaching and Learning Centre. Personal Learning and Thinking Skills are also taught within each subject and we also have alternative curriculum days to support Personal Social and Health Education (PSHE) as well as Careers Education, Information and Guidance. Generally, students embark on GCSE courses when they enter Year 10. However, several core subjects now lay the foundations for GCSE from Year 9 such as the Sciences.

How are students rewarded?

All students are given a lesson score for each lesson that they attend. Students start with a score of 2 and can increase to a 1 for outstanding effort or contribution. Students achieving ones in their lesson will receive regular and routine rewards. In addition to this, students are rewarded through a range of experiences including trips out as they progress through school. Each year the school hosts a prestigious Awards Evening to recognise the achievements of many students who have stood out for achievement and improvement throughout the year.

What subjects are studied at KS4?

At KS4 the following subjects are currently compulsory: English, Maths, Science, Physical Education, Religious Studies and PSHE. Going forward it is the aspiration of the Department of Education that over time the vast majority of students study a foreign language and this is something we are in the process of exploring. In addition, students can choose other subjects through our extensive Options programme. This also provides some students with the opportunity to follow more vocational courses. The majority of subjects lead to GCSE qualifications or their equivalent. Extensive guidance is given in Year 9 to ensure that students make appropriate choices. This includes an Open Evening to which all parents and carers are invited.

How are students put into sets?

In Year 7, students are taught in either sets or tutor groups. From Year 8 onwards most students are taught in ability sets based on teaching assessment, internal tests and prior attainment data. The structure of the sets in individual subjects can vary and each year a letter is sent out giving information about this.

How is homework organised?

Bridgewater High School

Prospectus 2020-21

Homework is regularly set online through showmyhomework.co.uk. The purpose of this homework is to build on what is taught in lessons as well as promoting more independent learning (see page 8).

How is student progress monitored?

Students are set subject targets and progress is then monitored against these targets through Interim Assessments and a sophisticated tracking system. An Interim Assessment is sent home each term. In addition, students receive a further report at the end of the academic year. Based on the Interims we are able to intervene and support students where necessary to ensure that they remain on target.

How is behaviour managed?

The behaviour of many students is a credit to them and we seek to recognise this through the lesson score system and the routine completion of the Interim. We work hard to promote positive behaviour within school and our local community. However, we also take any breaches of discipline very seriously and there are a number of sanctions available to us. The school has a daily detention for low level poor behaviour in the classroom and Faculty Intervention weekly for poor work rate and effort. For more serious breaches of discipline, the school will make use of supervised Isolation and where deemed necessary, Exclusion in line with the school's Exclusion Policy

What is the policy on attendance?

The school has a statutory responsibility to record and monitor the attendance of all students. All absences should be notified by phone on the first day followed by a written note from a parent or carer on return to school. If students need to attend appointments outside school for medical or other reasons, they must bring a note to the school office and sign out of school at the appropriate time.

The school's expectation of attendance is that above 97% is classed as Good attendance. Students whose attendance falls below 90% are, in line with DfE guidelines classed as PA (Persistent Absentee). The school will work with those students and their families to raise this level of attendance.

Absence from school without permission is recorded as unauthorised on a student's record. In cases of prolonged or frequent absence, a medical certificate may be required and reference made to the Education Welfare Service.

Finally, in line with other Warrington schools we also do not authorise absence for holidays during term time other than in exceptional circumstances for which written permission from the Headteacher must always be sought.

Communicating with the school in the digital age

If you wish to contact the school by phone regarding any concerns, details will be taken by reception and passed on to the relevant member of staff. Email contacts can be found on the website if

Bridgewater High School

Prospectus 2020-21

preferred and of course letters can also be sent in. However, we pride ourselves on being as paperless as possible at Bridgewater High School which now includes the use of the following electronic systems:

Show My Homework

Accessed by both an app and a website, SMHW allows parents and students to see exactly which homeworks have been set for them by which teachers. Details are included regarding exactly what the homework involves (plus any necessary links, attachments, etc.), how long it should take, and when it is due in. Students can then simply tick the homework off to remove it from their "To Do" list.

The Bridgewater High App

Our Bridgewater High app not only provides information and links which can be accessed very quickly, but also allows "push notifications". These enable important messages to be instantly transmitted as an alert to your phone.

Our Website/Twitter Feed

The Bridgewater website's front page is kept up to date with both news stories and information about forthcoming events. These stories are also duplicated as tweets for those wishing to follow us on Twitter. By accessing the dropdown menus on the website, all of the information you should hope to discover about Bridgewater High can be retrieved.

Office 365

All of our students now have Office 365 accounts. This means that not only does this provide them with their own school email address but they are entitled to access Microsoft Office applications online and can also download the Office package to multiple computers for free.

What is the policy on uniform?

There is clear guidance on what constitutes our school uniform which is endorsed and supported by the Governing Body. Non-compulsory items can be purchased from:

www.bubbleembroidery.co.uk/shop/bridgewater-high-school-home.

Please make sure that if uniform is bought from other retailers it complies with this guidance.

DANCE

Compulsory black T-Shirt and black tracksuit pants/leggings*. Dance is done in bare feet or grippy socks. If there is a medical reason why a child cannot dance bare foot, a note must be given to the dance teacher and socks with grips on the bottom are to be used.

*Available from www.bubbleembroidery.co.uk/shop/bridgewater-high-school-home

How are medical issues managed?

It is the responsibility of parents to inform the school of medical conditions at the point of transfer or when they arise.

Bridgewater High School

Prospectus 2020-21

We will work closely with parents and carers to ensure appropriate steps are taken.

We have a number of staff trained as First Aiders and keep up to date records of medical matters. If necessary we will also carry out Risk Assessments on individual cases. Relevant staff are kept informed about these issues.

Where students develop medical needs resulting from, for example, fracture injuries which may impede their mobility around site we ask that the school is contacted in advance so appropriate arrangements can be made.

Students who are ill during the school day are sent to the school office and, after consultation with their Pastoral and Achievement Leader may either be returned to lessons or sent home, following contact with parents.

What access arrangements are there?

The school provides access arrangements on both sites that comply with recent legislation. Students in need of these receive careful guidance and support and parents and carers will be invited to be part of this. We request that visitors to the school who require any access arrangements contact us in advance so appropriate procedures can be put in place.

What is the admissions process?

The Local Authority manages the transition from primary school to secondary school and then also manages any in year admissions. As a parent or carer of a Year 6 student, the Admissions team at Warrington will contact you providing guidance about the admissions process. Alternatively, they can be contacted on the following number: 01925 446226

Warrington also provide "A Guide to parents" which details the criteria for admission to secondary school which can be found at on their website <https://www.warrington.gov.uk/admissions>

Bridgewater High School

Prospectus 2020-21

What are the term dates?

These are the confirmed term dates for the academic year that runs from September 2020 to July 2021:

	HALF TERM/TERM ENDS	STAFF TRAINING DAYS	HALF TERM/TERM BEGINS
AUTUMN 2020		Monday 7th September 2020	Tuesday 8th September 2020
AUTUMN HALF TERM 2020	Friday 23rd October 2020		Monday 2nd November 2020
		Friday 13th November 2020	
CHRISTMAS 2020	Friday 18th December 2020		Monday 4th January 2021
SPRING HALF TERM 2021	Friday 12th February 2021		Monday 22nd February 2021
EASTER 2021	Thursday 1st April 2021		Monday 19th April 2021
SPRING BANK HOLIDAY	Friday 30th April 2021		Tuesday 4th May 2021
SUMMER HALF TERM 2021	Friday 28th May 2021		Monday 7th June 2021
		Friday 2nd July 2021	
SUMMER 2021	Friday 23rd July 2021		

*Two further twilight Training Days

Travel to school

Students make their way to school in a variety of ways. We encourage students to cycle and manage this through a permit scheme. There are also some buses that operate either exclusively for the school or as general public services. Some parents may choose to drop off students by car. If this is the case, we would respectfully ask that the areas around Beechways, Pineways and Hall Drive are avoided as these areas can become unduly congested particularly for local residents. We advise that the best place to drop off is on London Road. If a student requires any more specific access arrangements contact should be made in advance with the school. Because of the congested nature of both sites, we are not able to allow students to be dropped off in the school's car park.

Bridgewater High School

Prospectus 2020-21

What do students do with valuables?

We recognise that students increasingly carry with them a range of valuable items. Students have access to secure lockers where we recommend all valuables are stored at the start of the day. The school cannot accept responsibility for loss of, or damage to, personal property whilst on or off the school premises.

An annual review of school security is conducted by the Business Manager and reported to the Governors' Site Management Committee. The school is wholly committed to safeguarding children and to this end security is routinely reviewed.

How do I find out about trips and extra-curricular activities?

We offer a range of extra-curricular opportunities through our Enrichment Curriculum, including exchange visits to Germany, France and Martha's Vineyard, residential visits to The Conway Centre on Anglesey and ski trips abroad. Various Arts and Sports trips have gone to Spain, Italy, France, Poland and the rest of Europe.

Extra-curricular clubs are organised at various times throughout the year and include Art, Dance, Drama, Music, Performing Arts, Singing, Coding, Computing, Chess Club, Debating, Astronomy, Photography, Languages, Love to Bake, Love to Make and STEM. Sporting activities offered include Athletics, Basketball, Cricket, Cross-Country, Football, Netball, Orienteering, Rounders, Rugby League, Rugby Union, Table-Tennis, Tennis, Yoga and Junior Weightlifting. In the past few years we have had unprecedented success in a wide range of regional and national competitions in a wide variety of sporting and additional activities.

At Lower School we host a Cricket Centre of Excellence and at Upper School, fully utilise our AstroTurf floodlit tennis courts. We are also currently working closely with 'LiveWire' and the local community clubs to support the development of a 4G Astro-Turf pitch which will benefit our students greatly. Professional coaches are used to extend and enhance sports provision at the school and we have strong links with the Warrington Wolves Foundation and many of our local Community clubs. We also support the Duke of Edinburgh scheme.

Peripatetic music lessons are available for all students in a range of instruments including drums, piano keyboard, flute, guitar, saxophone, strings, clarinet, voice and brass.

What are the catering arrangements?

A cashless cafeteria system, run by Catering Academy, operates on both sites and students may also bring their own packed lunches. Enquiries regarding free school meals may be made to the Children's Services Directorate, New Town House, Buttermarket Street, Warrington WA1 2NJ Tel: 01925 444400. Parents whose children are entitled to free meals are assured that applications are dealt with sensitively and confidentially.

Bridgewater High School

Prospectus 2020-21

SECTION THREE

Key GCSE Statistics 2019

79% of our students achieved 4+ passes in **English and Maths**.

In English Language, **87%** of students gained a 9-4 (A*-C equivalent) grade.

(2019 National average = **62%**)

In Maths, **81%** of students gained a 9-4 (A*-C equivalent) grade

(2019 National average = **60%**)

In Separate Sciences, **90%** of students gained a 9-4 (A*-C equivalent) grade.

31% of all GCSE exams entered resulted in a 9 to 7 (A*-A equivalent) grade.

In Maths, English Language & Literature, Biology, Chemistry, Physics, French, Geography, Art, Drama, PE, RS & Performing Arts at least **80%** of students entered gained a 9 to 4 (A*-C) grade.

Please note that following re-marks these figures may change slightly.
