

2<sup>nd</sup> September 2020

Dear Parents, carers and students,

### Looking Forward to next week!

As ever I trust you are all well. We are all really looking forward to seeing your sons and daughters next week and hope they are feeling confident and excited about their return.

Last week we sent out detailed Guidance which seems to have covered the vast majority of parent concerns or queries. However, as promised I attach an update in the form of a Frequently Asked Questions sheet which hopefully provides some additional clarity. All our Guidance can also be found on our website.

There were a number of personal queries which we have responded to on an individual basis but if there are any further queries please feel free to contact us via these two dedicated emails:

[Upperopening@bridgewaterhigh.com](mailto:Upperopening@bridgewaterhigh.com)

As I said last week, there are a few logistical hurdles to leap to secure a safe return to school. However, whilst we are confident that the measures we have put in place will be effective, we need to see them fully operational to be completely sure. Therefore, please bear with us over the first few days as we ensure these changes bed in effectively. But trust me, I know things will settle down and become the norm very quickly.

As part of this return to school Mr Malam for the Upper School and Mr Morrison for the Lower School have prepared some introductory videos about the first day back which can be viewed by following this link:

***Please note that if you have PE or Dance on Tuesday 8<sup>th</sup> September you should not wear or bring your kit into school.***

So once again, we can't wait to see your sons and daughters next week and get on with the rewarding, important and thoroughly enjoyable job of educating your sons and daughters. Take care and enjoy the last few days of the holidays.

Regards

Tim Long
