

Stages in drawing a field sketch
1. Choose the view you wish to record

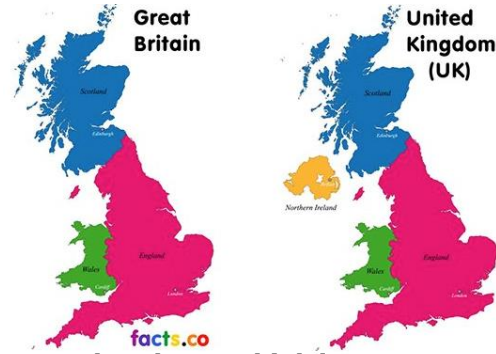

5. Add labels

The three types of geography

1	Physical geography	natural features like weather and mountains
2	Human geography	man made features such as buildings and roads
3	Environmental geography	our natural surroundings and how we look after the earth

What do you think language!

Use these sentence starters when you want to share your views/opinions (which are very important!):

- I think that ...
- I believe ...
- In my opinion ...
- In my view ...
- It is my belief that ...
- It is clear to see ...

Speak like a geographer!

Proper Nouns!

A name for a person, place or thing. For example: Africa, the Atlantic Ocean, Tidworth, and the River Thames. They should ALWAYS start with a capital letter.

Lines of longitude and latitude
