Empowering Parents & Carers: Exploring Local SEND Services in Warrington

Warrington Parents and Carers are proud to be joining once again with our Local Authority and NHS partners to present our "Working Together Conference"

This is our opportunity to work alongside the professionals that support us to **MAKE A DIFFERENCE** for our families. This year the focus is on what actually is available for SEND families in Warrington.

All are welcome to join us to **GET YOUR VOICE HEARD**.

Registration will start at 9.00, ready for a 9.30am start.

A Glimpse At The Content

We are finalising the details of the agenda, but this is what we have planned so far....

- Jean, our chair, will welcome everyone to the conference and set the scene
- Oliver Thomason - my story so far
- Louise Atkin will be setting the SEND scene
- Annual SEND Survey – Your Voice
- Launch of the Local Offer - what's in it and where to find it
- Updates from Health, Education and Social Care on SEND priorities and services

- The role of Educational Psychologists and empowering parents with Emotionally Based School Avoidance (EBSA): an exploratory session
- Nina Jackson is our keynote speaker offering a vibrant view of SEND education
- Darren Foster will be looking at a Dad's journey
- Special mentions
- Interactive table work
- Summary and close
