#### Message from Mrs. Howard and Mrs. Dearden

We have reached the end of a busy and successful year. Our attendance, at the time of publication is 96.4% and we could not be more proud about the pupils' first year at Bridgewater. Our reward on Monday 15th July, allowed us to accommodate 132 pupils.

**All the best for the Summer! Enjoy a well earned rest.**

We have included a range of pictures from the Beaumaris and Conway trip in this edition of our newsletter. We hope you enjoy looking thorough the amazing range of activities.

#### Sporting Success

In July, Keira 7VR was competed in the Hannah Whelan Invitational gymnastics competition. Keira trains at Warrington Gymnastics Club at regional level for 16 hours per week. She placed gold on vault, silver on bars, silver on beam, silver on floor and silver all around in a competition for any North West club. Well done Keira!

Tilly 7DAS/JW— plays for Manchester United and has had her contract renewed. Well done Tilly!
