

Dear Parent/Carer

To begin with, whilst this letter is aimed at students who take part in sporting events we feel it may be of interest to all parents and carers.

We are already well underway in our competitive sporting season and we are hoping to emulate the sporting success that we achieved last year across a range of competitions. Already we have seen fixtures in both Rugby Union and League, Boys' and Girls' Football, Netball and in the coming weeks we will see action in our Cross-country athletes and our Basketball and Badminton teams. In addition to the fixtures, we have added new activities to our extra-curricular provision allowing us to provide all students with the opportunity to engage in PE and Sport.

Whilst we feel that we offer our students a rich and varied extra-curricular provision, I am still always looking to add new activities/sports and would welcome any support from parents/carers or indeed any coaches who have a specialism in a chosen sport. If you feel that you could support us or indeed know somebody who may be able to add to our extra-curricular provision, please do not hesitate to contact me on a.roberts@bridgewaterhigh.com.

On the back of last year's sporting success, we have made an even stronger commitment to school sport and have entered a larger number of competitions in local, regional and national events as we continue in our quest to become one of the leading state schools in terms of sporting provision. I am extremely passionate about Bridgewater High School being recognised as a major performing school with regards to sport and we will continue to push our individual performers and team players to strive to be the best they can be.

With the increased commitment to school sport, we are faced with increasing costs for transport and sporting officials and although we are committed to fundraising, continuing to fund these fixtures will prove difficult especially if we continue to be successful and reach the later rounds of the competitions we have entered.

I am therefore asking for a **voluntary** contribution of up to **£40.00** for the sporting season. This will allow us to continue to provide regular sporting fixtures in a wide range of sports and provide high quality referees for each game. All monies received **will only be spent on sporting activities** and will allow us to continue to enter and compete in as many competitive fixtures as possible.

I hope you are able to support us with this and in doing so, we will continue in our endeavour to provide opportunities for your child to take part in regular sporting fixtures in the best possible sporting environment.

Yours sincerely

Andrew Roberts
