

Lockdown Art Project

WARRINGTON YOUTH VOICE

What is the Lockdown Art Project?

- ▶ Warrington Youth Voice have launched a project called Lockdown Art Project. This is a cross borough opportunity they would like to offer to the young residents of Warrington. They would also like school students to partake in this project.
- ▶ If you choose to get involved, this will give you an opportunity to share your artwork with the people of Warrington.
- ▶ Your artwork would then be displayed across Warrington town. They are hoping to display it on the 26th of June; however this depends on the government restrictions at that time.

Aim:

- ▶ The aim of this project is to help increase confidence in young people, especially after being confined at home for a few months due to the national lockdown. By launching this project Warrington Youth Voice hope young people will be able express themselves through art.

How do I get involved?

- ▶ If you are between the age of **4 to 18 years old**, give/send any artwork that you would like to share with the people of Warrington to **Mrs Silver** by **Friday 28th May**.
- ▶ Aside from painting and drawings, you can also submit photographs that you have taken.
- ▶ **All artworks should be in 2D.**
- ▶ If you are in yr10 or 11 and would like to get involved, you **DO NOT** need to be studying GCSE art, just bring your artwork to the upper school art rooms for Mrs Silver to collect by **Thursday 27th May**.

Is there anything else I need to do?

- ▶ Please include your name, age, school and a contact detail (phone number or email) on the back of your artwork.
