

## **Amendments to the After School Enrichment Programme**

**February – March 2022**

At Bridgewater we run a number of wide ranging After School Enrichment sessions for pupils from Year 7 to Year 11. These are scheduled to take place every week as shown in the After School Calendar. There are inevitably, however, occasions when other schedule events such as Parents Evenings take place after school and on these dates the Enrichment sessions will not take place. We are aware that this can disrupt the routine of attendance at after school Enrichment so we do try to minimise the number of times this would occur.

Please find below the dates for this term when After School Sessions will be amended

no sessions will run after school on Thursday 24<sup>th</sup> March

there will be some disruption to sessions on the dates below – pupils will be informed in school as soon as possible as to which sessions will not take place

Thursday 3<sup>rd</sup> March

Tuesday 8<sup>th</sup> March
