We have decided to retain the online format for parents' evenings as this is by far the most efficient model for these events and avoids lengthy queues when appointments over-run.

We are aware that these events – whilst undeniably useful – offer only a brief snapshot of your child's progress. They need to be regarded alongside the work in your child's exercise book. Assessment and monitoring is our daily concern, as is care for your child's well-being. If, at any stage in the year you have concerns, please contact us and we will be happy to meet with you.

Your partnership with us makes a real difference and we really appreciate you taking the time to meet us at parents' evening. Together, we can help nurture your child's strengths, address any challenges and celebrate achievements. Thank you again for your commitment and support.

Yours sincerely

C Beswick
